

# 1st International Disability Inclusion Symposium

## Focus on ASEAN and Pan Pacific Countries

**DATES:** January 25-26, 2020

**LOCATE:** Research Center on Advanced Science and Technology (RCAST), The University of Tokyo  
Bldg. S Presentation Room (Institute of Industrial Science)

IDIS on Higher Education and Career is a symposium to bring together ASEAN countries and Pan Pacific countries to share knowledge and progress towards disability inclusion. It is the first of its kind in this region to focus on higher education and career issues for individuals with disabilities. Topics this year will include: 1) Disability Standards for Services for Students with Disabilities in Higher Education; 2) Transition to Career/Employment 3) Student Empowerment in K-12 and postsecondary education. We have speakers from Malaysia, Thailand, Indonesia, U.S., Japan, Federated States of Micronesia and more.

**Registration is free. Please register here:**
