

Recruitment in a new field of research
Research Center for Advanced Science and Technology (RCAST),
The University of Tokyo

Research Center for Advanced Science and Technology (RCAST) at the University of Tokyo invites applications for one associate-professor. The start date is April 1, 2023. The term of office is three years.

Equity and diversity are essential to academic excellence. We welcome applications from female researchers based on the Declaration of Gender Equality Acceleration of the University of Tokyo on 3 March 2009.

Applicants are expected to have a Ph.D. or equivalent, with demonstrated outstanding research strength and creativity, and passion in graduate education. Applicants are expected to have motivation of performing collaborative and creative research by fully utilizing the resources available at RCAST and contributing the environments.

Applicants should submit a curriculum vitae (download the form from <https://www.u-tokyo.ac.jp/en/about/jobs.html>), a statement of research accomplishments (2 pages), reprints of representative research papers (5 papers at most, 1 copy for each), statements of a three year research plan, your vision and uniqueness of your research, and synergies expected in collaborative work at RCAST (3 pages), a list of publications, and a list of competitive funds. All the documents should be prepared in English or Japanese. If necessary, additional material can be requested.

Applications have to arrive by 22th of November in 2022.

* We do not use personal information that we receive for any other purpose.

* We will not return the application documents.

Send applications to:

4-6-1 Komaba, Meguro-ku, Tokyo, 153-8904 Japan, Personnel team, Administrative Division, the Research Center for Advanced Science and Technology, the University of Tokyo
